## **Introduction**

This directory provides a list of Medica Central Health Plan dental network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage. This directory is current as of 6/1/24. Some network providers may have been added or removed from our network after this directory was printed.

Visit [providers4you.com/WisconsinMedicareAdvantage](http://providers4you.com/WisconsinMedicareAdvantage) for the most up-to-date dental network.

We do not guarantee that each provider is still accepting new members.

Every effort has been made to prepare this list accurately, but Delta Dental assumes no responsibility for possible mistakes or omissions. The dentists listed in the directory may not participate in our network for each location listed. Therefore, we strongly recommend that you ask your prospective dentist if he or she participates in the Medicare Advantage network at the desired office location where you will be receiving treatment.

## **Plan Providers**

The plan providers listed in this directory have agreed to provide you with your supplemental dental services. You may go to any of our plan providers listed in this directory. If you have been going to one plan provider, you are not required to continue going to that same provider. You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor Medica will be responsible for the costs.
